THE ADVISORY HOUSE AND RAPIDMINER – TWO CHAMPIONS AGREE ON PARTNERSHIP

Vienna, Austria, 15 August 2017: The Advisory House, the first European consultancy with a sole focus on the energy industry, has joined the Partner Program of Rapidminer as of July 2017. Rapidminer has been named a leader for Data Science Platforms by the Gartner Group for the fourth year running. Its software supports more than 200,000 users in over 150 countries to drive their revenue, reduce costs, and avoid risks.

This partnership as well as the deep business and technical expertise The Advisory House and Rapidminer bring to the table will help utilities to get the most out of their data by providing industry tailored data analytics solutions.
